

Meijer LPGA Classic Presented by Kraft Returns in 2015

After a successful inaugural tournament that generated [\\$600,000 for our food pantry partners across the Midwest](#), we're happy to announce that the **Meijer LPGA Classic presented by Kraft** will return to Grand Rapids in 2015 for another week of community events and the best women golfers in the world.

The tournament will be held July 20-26, 2015 at Blythefield Country Club, and will once again benefit our *Simply Give* program that restocks the shelves of food pantries across the Midwest.

"The success of the Meijer LPGA Classic presented by Kraft greatly exceeded our expectation, and afforded us an unmatched opportunity to raise awareness and funding for hunger relief in the Midwest," Meijer President J.K. Symancyk said.
