

Meijer, ELGA Credit Union Partner to Help the Flint Diaper Bank

Diapers are a basic need for babies, yet one in nearly three families nationwide struggle with diapering their children.

ELGA Credit Union is leading a diaper drive from 8 a.m. to 6 p.m. May 1 at all its locations to help ensure the **Flint Diaper Bank** has the supply it needs. The Flint Diaper Bank provides diapers, free of charge, to the greater Genesee County area.

Meijer is kicking off the diaper drive with a donation of a ½ pallet of Meijer diapers to help ease the stress so babies have the diapers they need.

Please click [here](#) for more information on the diaper drive.
