

Meijer is a proud sponsor of the 26th annual **Festival of Trees & Lights** hosted by the **Children's Hospital Foundation and presented by Republic Bank**. The event will take place Nov. 13-15 at Louisville Slugger Field in Louisville, Ky. and will benefit cardiovascular services at **Kosair Children's Hospital**.

This holiday festival, which attracts thousands of guests each year, includes shops with treats and gifts, displays and activities featuring Christian and Jewish traditions, and holiday entertainment. Kids can have their photo taken with Santa, enjoy special children's activities and a miniature train display.

Christmas trees, wreaths and other hand-crafted holiday items, all decorated and designed by volunteers, will be for sale throughout the festival with proceeds benefiting the hospital.
