

Meijer partnered with Make-A-Wish® Michigan on Giving Tuesday to donate 10 toy baskets to children with life-threatening medical conditions. The surprise gift baskets were themed by toy brand including Nerf, Star Wars, Hot Wheels, Lego, Barbie and Disney Princess. Representatives from Meijer and Make-A-Wish® hand delivered four of the 10 baskets to wish kids in Detroit and Roseville. Gift cards were also donated to the children's parents.

Meijer has proudly supported Make-A-Wish® Michigan for 25 years and looks forward to continuing the tradition for many more years to come.
