

Meijer mPerks Program Rewards ArtPrize Nine Voters

Meijer is pleased to reward participants voting in **ArtPrize Nine** through our digital coupon program, **mPerks**. It's among a handful of ways we're helping bring the arts to the community by sponsoring the 9th annual free, international art competition that spans downtown Grand Rapids and attracts more than 500,000 visitors. It's going on now through Oct. 8.

How it Works:

The first 15,000 users of the ArtPrize mobile app to opt in to the mPerks opportunity can earn one exclusive mPerks offer based on their number of votes. You must be an [mPerks](#) member.

- 8-15 votes = \$5 off your purchase of fresh items at Meijer.
- 16-24 votes = \$5 off your Meijer purchase of \$25 or more.
- 25+ votes = \$10 off your Meijer purchase of \$40 or more.
