

Celebrities Golfed for a Cause

On Day 2 of the **Meijer LPGA Classic for *Simply Give***, the **Celebrity Pro-Am** took place at **Egypt Valley Country Club**. LPGA pros were joined on the course by dozens of celebrities ranging from professional athletes to musicians, including Grand Rapids resident **Brian Vander Ark of The Verve Pipe**.

Following the Pro-Am, the fun continued into the evening at the **Meijer LPGA Champions Party at Fredrik Meijer Gardens**.

Similar to previous years, the Celebrity Pro-Am was a success and we were very pleased to see the amount of celebrities who participated to show their support for the [Simply Give](#) program that stocks the shelves of food pantries across the Midwest.
