

Meijer and Mudsock Get Kids Moving

We recently partnered with [Mudsock Youth Athletics](#) in Fishers, Ind. Meijer as their Exclusive Grocer and Supercenter in support of the group's efforts to get local children moving, competing and cheering each other on.

Mudsock is a nonprofit that provides local students recreational opportunities outside of school, including baseball/softball, basketball, cheer, football, field hockey, lacrosse, rugby, soccer, track/cross country and volleyball. The organization has approximately 10,000 youth participants and 2,000 volunteers. Part of our investment will go toward volunteer training and youth participant scholarships.

"Mudsock Youth Athletics is so excited to partner with Meijer," said Scott Spillman, Executive Director of Mudsock Youth Athletics. "We strive to partner with organizations who are committed to supporting their community and that's why Meijer is such a great fit. With Meijer's support, we will be able to provide registration scholarships to in-need participants, new training opportunities to our volunteers and make upgrades to our parks."
