

We're proud to partner with the West Michigan Center for Arts and Technology ([WMCAT](#)), a nationally-recognized leader in creative youth development and adult workforce training based in Grand Rapids, Mich.

From [sourcing pharmacy technicians](#) from their career development program to giving teen artists in their creative arts classes a platform to [share their points of view](#), our relationship continues to grow every day. Most recently, we partnered with the organization to carry [T-shirts](#) celebrating Juneteenth designed by a WMCAT artist in 100 of our stores across the Midwest.

Check out the video to learn more about how our partnership is forging paths toward greater equity in West Michigan.
