

## Boys & Girls Clubs of Greater Milwaukee Kicks Off Annual Toy Drive

**Boys & Girls Clubs of Greater Milwaukee** recently kicked off its annual **Click For Kids Online Toy Drive** to help bring smiles to thousands of its youth members this holiday season. The goal of the toy drive, which is open through Dec. 23, is to provide gifts to 6,500 club members so they have a holiday they won't forget.

One of the many sponsors of the Toy Drive is Meijer, which will be matching the donations from each toy purchased through the drive. Meijer delivered its first round of donated toys to Bayshore Town Center on Dec. 1 where BGCGM volunteers will come together to sort, organize and wrap the toys.

Toys can be purchased online now through Dec. 23 at <https://support.boysgirlsclubs.org/toydrive>.
