

Meijer is committed to providing fresh and healthy food to our communities and are pleased to partner with the **Boys & Girls Club of Kenosha** to reopen “Kids in the Kitchen,” a youth culinary program that teaches children how to prepare and cook healthy meals and snacks.

Meijer helped re-establish the program and recently presented the Boys & Girls Club of Kenosha with a \$25,000 donation to help cover staffing, food and kitchen supply costs.

We feel it is fundamental to ensure all children have access to fresh, affordable food and are pleased to help teach the next generation about healthy eating and living and put kids back in the kitchen.
