

Red Wings Days at Meijer

Two **Detroit Red Wings** forwards **Justin Abdelkader** and **Luke Glendening** will be appearing separately at Meijer stores throughout Metro Detroit this month, and again in February, to sign free autographs and interact with fans.

Muskegon, Mich. native and former Michigan State University Spartan Abdelkader will appear at the Lincoln Park Meijer from 5-7 p.m. today. Glendening, a Grand Rapids, Mich. native and former University of Michigan Wolverine, will appear at the Roseville Meijer from 5-7 p.m. Nov. 12.

Red Wings Days at Meijer will feature interactive games for fans. The first 150 people in line will receive a priority wristband that will ensure one autograph.
