

The **Indianapolis Colts** and **US Foods** recently teamed up with **Lucas Oil Products**, Meijer, **Stonegate Mortgage** and **Citizens Energy Group** to host the fourth annual “Horseshoe Helpings: From Our Home to Yours” event at Lucas Oil Stadium. During the event, Colts players and more than 125 volunteers distributed Thanksgiving meals to 2,000 pre-selected Indianapolis families in need.

At the event, each family received a turkey, pumpkin pie, 5 lb. bag of potatoes, corn, green beans, stuffing, cranberry sauce and gravy. In addition, 10 local churches were selected to each receive 50 meals for the elderly and in-need families who were not able to attend the event.
