

Macomb County Toys for Tots Partners with Meijer Over the Holidays

The **Macomb County Toys for Tots** program made a trip to the **Lenox Township Meijer** store this holiday season to purchase more than \$75,000 in kids' bikes. The store was happy to help, bringing in the Meijer merchandising and logistics teams to fulfill the request.

The bikes were secured from a **Huffy** facility in California, and made a quick cross-country trip to arrive in time for a Toys for Tots event at **Detroit's Eastern Market** with the **Detroit Pistons organization**.

Thanks to this great partnership, many children were surprised this holiday season.
