

Earlier this month Meijer made a \$5,000 donation to the **Sussex Lions Club** in support of its **Sussex Lions Daze** fireworks show. The fireworks display marked the end of the first day of the three-day festival at **Sussex Village Park**. The fireworks display wowed the crowd and lit up the sky over Sussex Lions Daze.

“We’re thrilled to have Meijer as our presenting sponsor for the Lions Daze fireworks...,” said **Gary Bohlmann**, founding member of the Sussex Area Service Club. “It is a great family-friendly event for our community and we are excited to have our new neighbor be a part of the fun this year.”
