

Catholic Charities of West Michigan Earns Large Spring Simply Give Donation

Congratulations to **Catholic Charities of West Michigan** for earning their largest donation to date – more than \$51,000 – during the spring ***Simply Give*** campaign that stocks the shelves of Meijer food pantry partners across the Midwest.

Norton Shores Meijer Store Director Tom Agrillo recently delivered the donation in Meijer food-only gift cards to the food pantry's Muskegon, Mich. location.

The spring *Simply Give* campaign coincided with the third annual *Meijer LPGA Classic for Simply Give*, and generated a total of \$2.9 million for the retailer's food pantry partners. The tournament raised \$850,000 of the total spring campaign's donation.

This was the most successful spring campaign in the history of the program that began in November 2008, elevating the total amount raised to nearly \$24 million.
