

The **2016 Meijer Chicago Bears Family Fest** was a success earlier this month, giving fans a first look at their favorite team in action at Soldier Field.

For the third year, Meijer was the title partner of the event that featured live music, alumni autographs, kids' activities and giveaways. Meijer also brought its giant inflatable chair for photo opportunities and quarterback football toss and drove its Sweet Ride truck – complete with free popsicles – to the event.
