

Meijer is donating \$5 to its [*Simply Give*](#) program on behalf of each customer who receives a flu shot at one of its 230 pharmacies now through Nov. 26.

We will donate up to \$1 million to the program that stocks the shelves of its food pantry partners across the Midwest while encouraging customers to get a jump on staying healthy this flu season. The [*Simply Give*](#) program has generated nearly \$24 million for local food pantries since its 2008 inception.

Meijer operates 230 [pharmacies](#) in its supercenters throughout the Midwest, all of which administer the vaccine without an appointment during pharmacy hours and accept most major insurance plans.

For more information on the initiative, please click [here](#).
