

Registration is now open for the Meijer Baseball Academy with the South Bend Cubs. Children, ages 6-12, are invited to Four Winds Field, home of the minor league team, for a three-day training session July 12-14 or July 26-28.

South Bend Cubs players and coaches will be the instructors for the academy, teaching the fundamentals of hitting, pitching, fielding, catching and base running to campers. All attendees will receive a Meijer Baseball Academy t-shirt, a South Bend Cubs hat, lunch after each day of camp, and four tickets to a South Bend Cubs game where all academy campers will participate in a pre-game recognition on the field.
