

**Network Health**, the **Milwaukee Brewers** and **Meijer** invite Brewers fans to the 9<sup>th</sup> annual Field of Sweet Dreams slumber party at **Miller Park**. Participants can bring their camping gear and spend a night under the stars (or roof) while enjoying an evening of fun-filled activities.

The entire field level at Miller Park will become an overnight playground where guests can play catch and run around the same field as the Brewers, watch a full-length family movie, get a private tour of the stadium, and listen to a bedtime story from Brewers players and coaches. Guests can also watch the Brewers vs. Tampa Bay Rays on the centerfield video board. Food and beverages will be provided for guests, along with a special gift from the Brewers.
