

Meijer Celebrates Dads at LPGA Classic for Simply Give

The **Meijer LPGA Classic for *Simply Give*** will celebrate Father's Day at **Blythefield Country Club** with weekend-long events and specials celebrations for dads on Sunday.

On June 18, fathers who attend the tournament with their kids will receive free admission, and from 8:30-10:30 a.m., **Celebrity Chef Carla Hall** will host a Father's Day breakfast at the Kid's Center. Hall will also perform a family-friendly demonstration of a recipe kids can help make at home.

In addition to breakfast, the Kid's Center will feature a variety of activities including games, toys, and arts and crafts. Golf instruction clinics for kids will be held every 15 minutes and they can also decorate a cupcake for their dad while helping support local food pantries through *Simply Give*. Each cupcake will be sold for \$1 and donated to the *Simply Give* program.
