

# Community Members Tee Off at Meijer LPGA Classic

The third day of the **Meijer LPGA Classic for *Simply Give*** began with the **Official Pro-Am**, where members of the community were able to pair up with LPGA golfers for 18 holes before the tournament's official start the following day.

The opening of the **Meijer LPGA Kids Center**—which remains open throughout the rest of tournament week—kicked-off with the second **Junior Clinic** presented by Johnson & Johnson. Over 40 children attended to receive lessons in putting, chipping and driving with **The First Tee** instructors and this year's sponsor exemptions **August Kim** and **Megan Kim**. The Kid's Center will also be hosting activities all week including crafts, snacks, Father's Day activities and LPGA player autograph sessions.

Wednesday evening was celebrated with a partner barbecue, thanking everyone that has made the tournament possible, before official play began Thursday morning.
