

Every school has a teacher who goes above and beyond to impact students' lives and success and Meijer recently celebrated local teachers in its footprint as part of the **Homeroom Heroes** contest.

Meijer asked parents, fellow staff and community members to nominate a teacher they felt deserved recognition and honored six teachers with a surprise celebration in their classrooms. The schools also received more than \$1,000 in free supplies donated by Meijer partners including **Clorox, Crayola, Expo, Kleenex, Paper Mate, Scott, Sharpie** and **Viva**.
