

Meijer has a longstanding commitment to support each community it serves. We follow a simple philosophy established by our founder, Hendrik Meijer, more than 80 years ago: “If you take care of your customers, team members, and community, all of them will take care of you — just like a family.”

We take great pride in working in our communities every day to create greater awareness of need and support for our neighbors. We’d like to invite you to help us tell our story of community through the #MeijerGives campaign.

When sharing your photo or giving story, please:

- Mention @Meijer on Facebook and Twitter and @MeijerStores on Instagram;
- Use the hashtag #MeijerGives — and encourage others to do the same;
- Provide photos and videos so we can highlight your good work among the community;
- Send to mcommunity@meijer.com with your attached photo releases.
