

Congratulations to the **Detroit Police Athletic League (PAL)** on the recent opening of the **Willie Horton Field of Dreams presented by Meijer**, which will allow Detroit-area kids to play diamond sports, football, soccer and more.

It's part of **The Corner Ballpark presented by Adient**, the **Tiger Stadium** redevelopment project.

"This is a very exciting time for Detroit PAL and the city of Detroit," said **Tim Richey, CEO of Detroit PAL**. "With the help of our generous donors, we have been able to build a new home for PAL and our 14,000 girls and boys. This new stadium is a statement to PAL's commitment to the sports and programs we offer and the youth of Detroit."
