

Meijer is First Stop on Child's Wish Day Shopping Spree

Make-A-Wish Michigan is an incredible group that grants wishes for children and youth with life-threatening medical conditions.

The **Madison Heights, Mich. Meijer** was honored to host **Destiny**, 9, recently for her shopping spree **Wish Day**.

Destiny kicked off her day of shopping with a visit to the store to purchase baby dolls. She arrived in a limo and was greeted by an excited Meijer team, who gave her a decorated shopping cart to fill with goodies and a gift basket to enjoy throughout her day of shopping.
