

## The Meijer LPGA Classic 5k Run & Walk is GGGGGrrrrreeeat!!!!

After helping execute the marketing for the 2018 **Meijer LPGA Classic for *Simply Give*, Sallie Crumbacher** signed up for the golf tournament's accompanying **5k Run & Walk presented by Kellogg's** the first day registration opened.

The avid runner had so much fun that she plans to participate again this year.

"From hearing the **Rockford High School band** play at the start, the smiling faces of my co-workers and their families ... to high 5'n **Tony the Tiger** at the finish and enjoying a bowl of cereal after — it's gggggrrreeat!" Crumbacher said.

She encourages others to join in the fun that also supports a great cause.

The 5k Run & Walk is one of the many events held during tournament week for the Meijer LPGA Classic for *Simply Give*. The tournament benefits the **Meijer *Simply Give*** program that restocks the shelves of food pantries across the Midwest. The previous five tournaments generated more than \$4.2 million for the program.

"It's truly a win win!" Crumbacher said. "You get to enjoy the fun and excitement of the event while knowing you are helping to feed your neighbors in need. You will be wearing a big smile all day!"
