

The 2019 Meijer LPGA Classic for Simply Give is Officially Underway

Tournament week began with a visit to the **St. Alphonsus Food Center** on Monday with **Executive Chairman Hank Meijer** and **LPGA Pros Kris Tamulis** and **Jaclyn Lee**. Together they toured the facility and learned more about how it serves the local community thanks to contributions from the **Meijer *Simply Give*** program.

The first tee-off took place in the afternoon at the first ever **Meijer LPGA Classic Veterans Pro-Am presented by Eisenhower Center**. The Pro-Am, which was held at **Blythefield Country Club**, honored 20 veterans from across the country. In addition to *Simply Give*, the new partnership with Eisenhower Center proved to be a great way to bring the community together to support others in need.

The day closed with the **Celebrity Welcome Reception**, ahead of Tuesday's Celebrity Pro-Am with live music and delicious bites curated by **Celebrity Chef Dean Fearing**.
