

Meet the Faces of Meijer Grocery

When our two [Meijer Grocery](#) stores open in early 2023 in Southeast Michigan's Orion Township and Macomb Township, they will have familiar faces leading the teams.

Longtime Store Directors Cynthia Griggs and Mary Kimbrough are excited to bring our newest concept stores to the community. Meijer Grocery stores are designed to deliver convenience for our customers, who are looking for a simplified shopping experience, while providing communities easier access to fresher foods.

Cynthia will be the Store Director at our Meijer Grocery in Macomb Township and is looking forward to bringing a different shopping experience to customers and her longtime community. She's lived in the Macomb County area for most of her life after growing up on Selfridge Air National Guard Base. Learn more about Cynthia in this fun Q&A:
